Release # 001

CIVIC CENTER MODERNIZATION PHASE 1 - NOTICE OF CONSTRUCTION

SUNNYVALE, California – The construction of Phase 1 of the New Sunnyvale Civic Center project, located at the corner of El Camino Real and Mathilda Avenue, is expected to start December 2, 2020 with project completion by April 2023. Standard work hours are Monday through Friday, 7:00 AM to 4:00 PM. Construction updates will be communicated as construction progresses.

Construction Map

Prior to start of construction the City shall post "No Parking" signs in areas where construction activities will occur. Parking will be restricted to allow for construction vehicle access only. Please see the posted signs for exact hours and locations as they may vary according to scheduled construction tasks.

All other parking restrictions, including no parking for street cleaning, will still be in effect. The City's Construction Management team will be working to minimize any impact but expect a few traffic delays during construction. For additional information, please visit the project's webpage at <https://sunnyvale.ca.gov/business/projects/civic.htm>. We thank you in advance for your cooperation and support of this project.
