

Baylands Park Special Event Application

Thank you for your interest in planning a successful and safe event at Baylands Park (999 E. Caribbean Dr. Sunnyvale, CA 94089). Events are an important way to build community and celebrate the diversity, heritage and uniqueness of Sunnyvale. Depending on the nature of your event, you may need to obtain additional permits or approvals to ensure a well-planned, safe event. The City of Sunnyvale has created a simplified process to help you determine what type of City permits and approvals you will need.

1. Submit your **completed application** (sections 1-18) at least **EIGHT WEEKS BEFORE your proposed event date** with a check made payable to City of Sunnyvale for \$134 (nonrefundable processing fee). Fee may also be paid by Visa, MasterCard or Discover.

Completed applications may be:

- Delivered: Community Services Division, Recreation Center Front Desk, 550 East Remington Drive;
- Mailed: City of Sunnyvale, Attn: Community Services Event Permits, P.O. Box 3707, Sunnyvale, CA, 94088;
- Emailed: events@sunnyvale.ca.gov

NOTE: Incomplete applications will not be processed. Applications will not be processed until the processing fee is paid. Any unpaid balances owed to the City must be paid in full before an event application will be processed.

2. You will be sent an email acknowledgement that your application has been received. Your application will then be reviewed by City employees, which may take up to three weeks. During this time, you may be contacted by City employees for clarification of your event details.
3. After a full review of your application, you will receive either an event conditional letter or a denial letter. The conditional letter will outline requirements for your event, such as necessary permits, approvals and applicable fees. This may include, but is not limited to, the following:
 - Certificate of Insurance showing evidence of a commercial liability and an Additional Insured Endorsement
 - Facility and Park Reservations
 - Park Rental and Permit Fees (i.e., amplified sound, tents, stage, cooking, inflatables, carnival, etc.)
 - Security Requirements
 - Inspections (prior, day-of and post event)
 - Garbage and Recycling Requirements

4. Once all the conditions have been met, a Special Event Permit will be issued by the City. You will be required to have this permit in your possession during your event. This is in compliance with Sunnyvale Municipal Code 9.45 Special Event Permits and Chapter 9.47 Extraordinary Public Safety Service Liability. WHAT DOES THE CITY USE?

PINSAdvantage.com is used to track **Certificates of Insurance** and all related documents.

WHAT IS THE PROCESS?

PINS starts with the City of Sunnyvale. The City emails the Vendor/Contractor requesting proof of insurance through the PINS platform. The email request includes directions on how to provide the required insurance documents through PINS. The Vendor/Contractor simply forwards the email request to their Insurance Agent(s) and the Insurance Agent(s) logs into www.PINSAdvantage.com. Once the Insurance Agent(s) logs in, insurance documents are uploaded and the insurance certificate is completed online.

***Note:**

Vendors/Contractors will receive the insurance request email from: no-reply@pinsadvantage.com
