2020	0	0	0
2019	1	1	0
2018	0	0	0
2017	2	2	1
2016	5	5	0

The use of force (URSUS) incidents that result in serious bodily injury or death or involved the discharge of a firearm are reported annually to the State. The URSUS data is narrowly defined and does not represent the totality of use of force incidents. However, it does allow for comparisons across law enforcement agencies in California.
